

PRINCETON FAMILY YMCA MVP-DAY-CAMP MAP

IMPORTANT INFORMATION

- Children will be dropped off directly in front of Whiteley Gym at a spot on Hibben Road.
- There will be NO parent parking available. We will be using the Kiss-&-Go Method. Parents will not be allowed to park at any time.
- Since Mercer Street is still under construction, the only entrance to the Gymnasium will be from Route 206. When the parent turns onto Hibben from Route 206, they will drop their child off and proceed around the grass GAME FIELD make a left at the end of street and circle back around to Hibben access Route 206. Unfortunately you cannot turn left to return to Route 206 as that is a One-Way street.
- For the safety of the children, staff, and other families, there will be no other exit options allowed.
- Afternoon pickup will be at the YMCA under the large white tent near the new playground!
- Children will walk to the YMCA in the afternoon for swimming.
 - Children will be closely lead and followed by all counselors at all times. Safety is top priority!
 - From the Gym, campers and counselors will walk to Library Place and turn left toward Hodge Road. They will follow Hodge Road until they reach the YMCA.
 - If for some reason weather prohibits walking to the YMCA, parents will be contacted appropriately.
