

PRINCETON FAMILY YMCA SUMMER CAMP PROGRAM

WHAT TO BRING TO CAMP

We have put together a simple list of things to bring.

Please make sure that everything is clearly labeled!

This will help us cut down on the lost and found piles at the end of the day.

If it is clearly labeled with a marker, we know who to return lost items to.

backpack

this bag should be just the right size that everything can pack away and can be easily carried by the camper

water bottle

This is very important. campers will be outside for a large portion of the day. That's the meaning of camp! During these hot summer months, it is important that we keep hydrated. Please send your camper with a water bottle each day!

lunch box

Each day, please remember to send your child with a healthy and nutritious lunch. If you are sending lunch in a nice box, please make sure you label each item. Remember, there are no refrigerators at camp! No lunch is needed on BBQ Fridays. Brown disposable lunches only on Field Trip Days. If you would like to order lunch to be delivered to camp, please visit smartlunches.com

sunblock

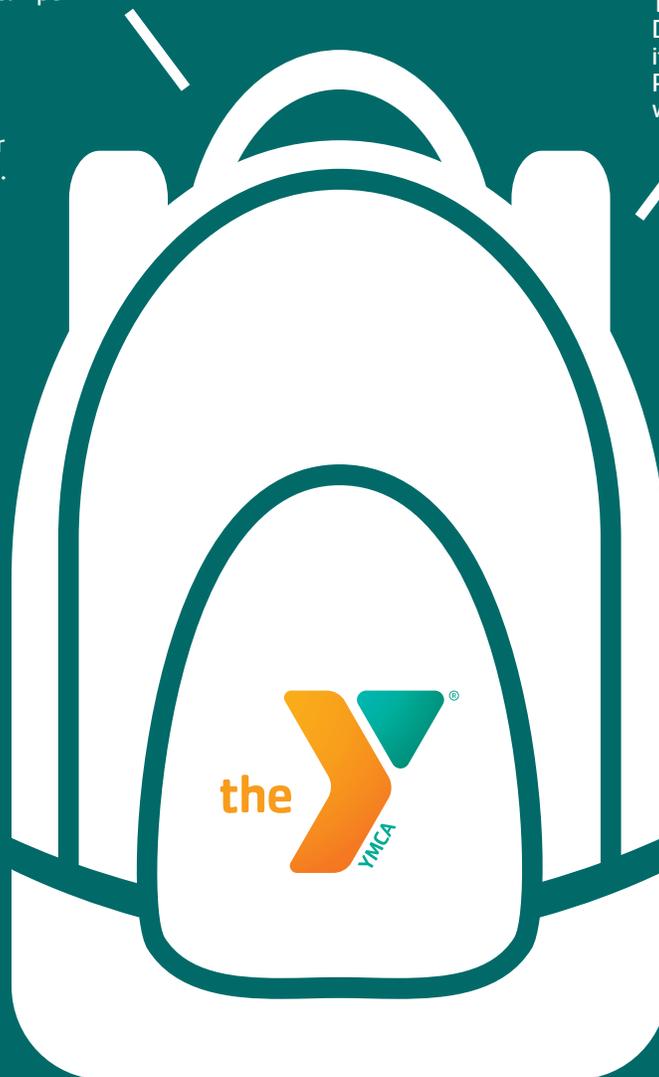

Just like the water bottle keeps our campers hydrated, we also need to keep our skin protected. We will make sure campers are reapplying throughout the day.

sneakers/shoes

For the safety of our campers, please send your child to camp in sneakers / athletic shoes only. If you wish, you may pack a pair of water shoes / sandals for the pool and locker room area.

swim gear

Please send a bathing suit and towel everyday. We are lucky to be able to swim during these summer days! If you choose to send goggles, please clearly mark! Most lost and found incidents happen during swimming time.

Please do not send your camper with toys, electronics, phones, or any other item deemed valuable.
