

PRINCETON FAMILY YMCA AFTER SCHOOL PROGRAM

WHAT TO BRING WITH YOU

We have put together a simple list of things to bring.

Please make sure that everything is clearly labeled!

This will help us cut down on the lost and found. If it is clearly labeled with a marker, we know who to return lost items to.

backpack

this bag should be just the right size that everything can pack away and can be easily carried by the student.

learning devices

Send in your child with their designated device (laptop, tablet, etc.). Make sure it is charged each day ahead of arrival! Don't forget to pack the charger too!

lunch box

Each day, please remember to send your child with a healthy and nutritious lunch. If you are sending lunch in a nice box, please make sure you label each item. Remember, there are no refrigerators or microwaves available.

headphones

So that all students can focus on their own lessons, make sure your child has their own headphones or earbuds to listen to their lessons.

face covering

Masks that cover the nose and mouth are required. They will be worn at all times during the program.

school supplies

Make sure to pack any other supplies your child will need for their lessons, including notebooks, pencils, pens, etc.

Please do not send your child with toys, nonessential electronics, phones, or any other item deemed valuable.
