# **DUNGEONS AND DRAGONS**

**March 3rd – June 2nd**

**Dungeons and Dragons is a Tabletop Role Playing Game. The game's host plays the role of the dungeon master or the person that narrates the game and gives the players scenarios to play using dice. They players create characters and use those characters to navigate the scenarios and world that the dungeon master lays out.**

**Teamwork, communication, math, critical thinking, writing, imagination, creativity, are all important aspects of this immersive game and will be taught throughout the player's journeys.**

**The game's website, <https://dnd.wizards.com/basics-play> has plenty of more information and rules about the game. Players will not have to bring or come with anything. Dice, character sheets, and access to books will be included. Times, dates, and session length can all be adjusted to accommodate players schedules.**

**Ages: 10-17**  
**Tuesday 5:00pm – 7:00pm**

**Full Facility Members: \$30**  
**Program Members: \$30**

**Enrollment open now**
